Professional summary

As a highly skilled Front End Web Developer, I am dedicated to creating visually appealing and user-friendly websites. My biggest achievement has been designing and developing a responsive e-commerce website for a major retail client, resulting in a 25% increase in online sales. I possess strong proficiency in HTML, CSS, and JavaScript and have a keen eye for design and detail. With excellent communication skills and the ability to collaborate with cross-functional teams, I have successfully delivered projects on time and within budget. My passion for staying updated
